September 2011

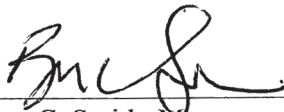

Dear Neighbors,

Despite increased budget pressures, the Irvington Recreation and Parks Department continues to offer programming that is second to none in Westchester County. From the resources of the Senior Center to youth sports from the waterfront parks to the wooded trails and the O'Hara Nature Center, there is truly something for everyone provided by your Recreation and Parks Department.

However, the decreased budgets of the Recreation and Parks Department have resulted in many changes. From the relatively minor changes like eliminating the printed copy of this brochure to major changes like not having a fireworks display on the Fourth of July, our residents are being impacted. In order to maintain programming as well as restoring special events like the Halloween Parade and the aforementioned fireworks, a newly created fundraising group named the Fundraising and Community Event Committee (or F.A.C.E. for short) is looking to raise funds to bridge the funding gap. As mayor, I know that events like the Turkey Trot, Haunted Hayride and the Holiday Tree Lighting are part of the very fabric of Irvington that makes it a special place to live. We will do everything we can to keep these events and we ask you for your help in supporting F.A.C.E.

I hope you will enjoy our Parks and the great offerings of the Recreation Department detailed in this brochure.

Sincerely,

Brian C. Smith, Mayor

There are age requirements for programs. Please do not register your child for a class if he/she is not the required age. False information written on the registration form will result in forfeiting spot.

Please help us to not have to cancel programs!

Nothing impacts a recreation program more than when residents wait to register for a class at the last minute. Programs will be canceled if there is insufficient registration.

Please register on time.

Please note: Flyers with Recreation & Parks information are distributed in two Irvington Schools: Dows Lane and Main Street School. If you do not have children attending these schools, please visit our website @ www.irvingtonny.gov or visit the Recreation and Parks office.

There will be a convenience charge on all credit card transactions. We do not accept American Express.

Refunds: Full refunds are given when the Recreation and Parks Department cancels a program. The Recreation Department has the right to cancel programs due to insufficient enrollment. Other refunds may be given at the discretion of the Superintendent. Requests for refunds must be made in writing. Refunds due to medical reasons must be accompanied by a physician’s note. Refunds may take up to fourteen days to process.

Please Note: Please check the local cable channel 75, or subscribe to the village email. Visit www.irvingtonny.gov and once on the website, click email notifications and register.

Should an individual have an accident during a class or special event, he/she must submit a report to the Recreation Department within 24 hours of the incident.

Participants enter programs at their own risk.

Community Bulletin: Any local group or organization interested in posting a sign on the bulletin board located on the top of Main Street must obtain permission from the Superintendent. Please call (914) 591-7736. Maximum size: 4X4. There is no guarantee your sign will be approved. Please do not make sign until content has been approved.

Various Irvington Recreation programs that have benefited financially from the support of the O'Hara Foundation include summer camp tuitions, the Senior Citizen's Thanksgiving Luncheon, the O'Hara High School Summer Basketball League, and most recently, their generous pledge of \$60,000 to close the funding game in the creation of the Nature Center.

Irvington Beautification Committee

Established in 1989 under the oversight of the Recreation and Parks Department, this committee of volunteers strives to improve the aesthetic appearance of the Village and encourage community participation in keeping the Village beautiful, clean, and safe for all residents. Volunteers plant the flower boxes and barrels along Main Street with seasonal flowers, decorate the downtown area with evergreens for the winter holidays, design and maintain the landscaping at public sites such as the War Memorial and Ambulance Corps, and assist with the landscaping maintenance at Scenic Hudson Waterfront Park. Meetings are held on the last Monday of every month at 10:00 a.m. at the Recreation Center. New volunteers are always welcome. No gardening experience necessary! For additional information, please call Rita Milo at (914) 591-6089, Anne Myers at (914) 591-6402, or Joseph Archino at (914) 591-7736.

Irvington Trails Committee

The Irvington Trails Committee is responsible for recommending methods to maximize the potential of the existing and future trail system in the Village of Irvington. See map at the end of this brochure for existing trail system in the Village or Irvington.

Expectant benefits include:

- Provide an enjoyable and safe place for people of all ages to experience the outdoors.
- Provide educational opportunities including an outdoor classroom for the schools (i.e. nature walks, tree and plant identification, wildlife and bird identification).
- Promote greater appreciation and protection of the natural, cultural, historical, recreational, and scenic resources within the village.

To learn more about the Irvington Trails Committee, contact the Village Administrator Lawrence Schopfer at (914) 591-4356, or e-mail lschopfer@irvingtonny.gov or Rich Goldman, chairman, at barjgoldman@optonline.net.

Irvington Trailways System Named After Peter Oley

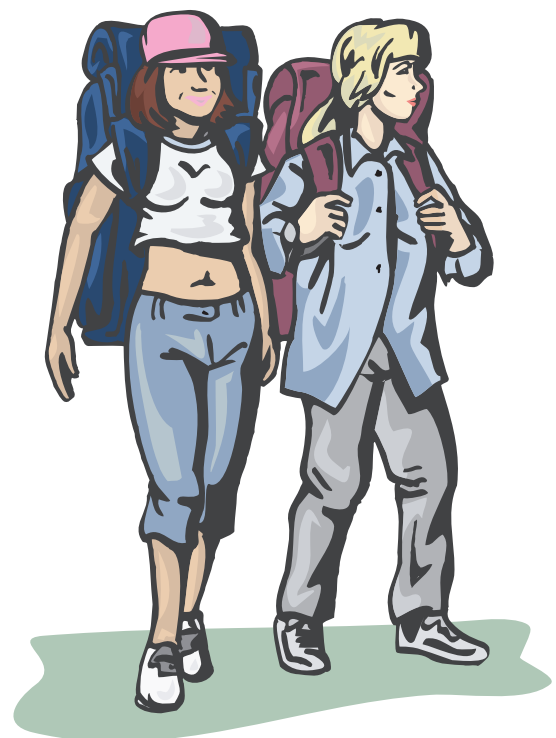

On July 19, 2010, the Board of Trustees voted unanimously to name the Village's trailways system after Peter Oley.

Teacher, coach, historian, naturalist, mentor – Peter Oley was all this and more. As a professional and a volunteer, Pete offered his invaluable services to the Village of Irvington for over half a century.

For decades he walked the area near the Village Reservoir laying out trails and encouraged his students, scouts and volunteers to do the same. He frequently met with Parks and Recreation Department members about ways to maintain and improve the trails. Peter was the individual most responsible for the existence of our current trailways system.

Doug Wilson of the non-profit Irvington Landmarks Preservation, proposed that the Village name some part of the trailways area after Peter. After conferring with the Village Trailways Committee, the Parks and Recreation Advisory Committee recommended that the entire Village trailways system be named after Peter Oley and that this should be noted on trailways kiosks to be erected at the north and south entrances.

More information is available about the Peter Oley Trailways System

Irvington Police Department

Thank you for your support. Keep Officer Osso in your thoughts and prayers.

Child Passenger Seats

One of the services that the police department gladly offers to Village residents is the inspection and installation of child passenger seats. We presently have three officers who have attended extensive training and are certified as Child Passenger Safety Technicians by the National Highway Safety Administration. Upon request, these officers will check the safety of a specific car seat. They will then check on its installation and make necessary corrections. To schedule an appointment, contact Sgt. Steve DelliColli, Youth Officer Michael Toolan, and or P.O. Patrick Crisi, P.O. Erik Seman, P.O. Jon Nyarady (914) 591-8080, Monday through Friday between 8:00 a.m.- 4:00 p.m.

Web Site

All residents are invited to visit the Irvington Police Department's web site (www.irvingtonpolice.com). The site has proven to be a valuable tool and resource for the department and the community. The site provides access to a wealth of information, including:

- General background data.
- Current events and traffic alerts.
- Historical information on the department – many dated photographs have been added since the inception of the web site.
- Legal updates.
- Homeland Security information.
- Crime prevention tips and programs.
- Services offered by the Department.
- PBA events.
- Links to other resourceful web sites.

We invite all residents to visit the site, and if you have any ideas or comments, please contact Sgt. Raube McDaniels at (914) 591-8080. Many suggestions have been received and incorporated.

Free Gunlocks

The Police Department offers free gunlocks to all Village residents. The gunlocks have been made available to our department through "PROJECT CHILDSAFE", a nationwide program managed by The National Shooting Sports Foundation and funded by a \$50 million grant from the U.S. Department of Justice. Their goal is to ensure safe and responsible firearms ownership and storage, and to prevent needless accidents, especially among children. The cable-style gunlock can be used on both handguns and rifles. Initial requests will be limited to three (3) locks per person. Interested people should contact Lt. Morano at (914) 591-8080, to arrange for their pick-up.

Watch Your Car

The Police Department participates in an emerging motor vehicle theft protection program. The NYS Motor Vehicle Theft and Insurance Fraud Prevention Board sponsor the New York State "Watch Your Car" program. The initiative is comprised of the two following components:

1. The Decal Program is offered to motor vehicle owners who do not normally drive their vehicles between the hours of 1:00 a.m. and 5:00 a.m. Decals are provided and placed on the front and rear windshield to alert and authorize law enforcement to stop the vehicle for the purpose of determining ownership and the identity of the operator if the vehicle is being driven during this time frame.
2. The VIN Etching Program offers vehicle owners the option of having their car's windows etched with the Vehicle Identification Number. The etching cannot be removed or defaced, and it deters thieves wishing to remove parts. Some insurance companies have offered discounts on premiums for vehicles that have had this procedure. Enrollment for motor vehicle owners is voluntary, and there is no fee charged. Check the Police Department web site for further details www.irvingtonpolice.com or call Youth Officer Michael Toolan or P.O. August Brinker (914) 591-8080 to schedule an appointment.

Parking

With the resumption of spring sports leagues, many more residents will be using the Village parks. Coaches, participants, and spectators are asked to observe all parking regulations. Illegal parking and blocked roadways are more than an annoyance or a violation. They present a safety hazard for the people using the park and the residents in the immediate neighborhoods. In an emergency, emergency service vehicles (police, fire, and ambulance) need clear access. Clearing a blocked roadway could waste precious time. Enjoy the parks but please adhere to the regulations.

Helmet Safety

With the summer months, outdoor activities such as bicycle riding, skateboarding, and rollerblading gain popularity. In Irvington, the Village Code requires the wearing of a helmet by persons of all ages for any of these activities. More importantly, the use of a helmet reduces the possibility or the severity of injury, if a fall occurs. Parents are urged to require that their children wear a helmet, and in addition, set a positive example by wearing one themselves.
